HOW IT WORKS ?

Access your **BINANCE** account.
If you don't have one yet
account, create free.
BINANCE is the largest
exchange in the world.

Have At Least **150 USDT**
And/or **0.005 BTC** In Your Account.
Your Balance Is 100% In Your
Wallet And In Your Control.

Activate **TRADE 4 U**
technology on your account
and you're done!
Your profits automatically
start in **USDT** and **Bitcoin**.

TRADING STRETEGIES

USDT

This strategy generates **USDT** profits in your **BINANCE** account.

Orders are carried out in **BITCOIN**.

The **TRADE 4 U** system identifies volatility points to make purchases and then sell with a certain profit in **USDT**.

BTC

This strategy generates profits in **BTC** in your **BINANCE** account. Orders are carried out in **ETHEREUM**.

The **TRADE 4 U** system identifies volatility points to make purchases and then sell at a certain profit in **BTC**.

Activating both strategies you always earn more.
It doesn't matter whether the market is up or down.

FINANCIAL GROWTH

There is no limit on how much you can earn. Usually the accounts make an excellent profit every month. But of course this depends on the market, there is no guarantee of profit. The important thing is that everything is done directly in your BINANCE account. 100% in your control and you have ZERO RISK of losing your money.

ANNUAL PLANS

Plans Start At Just **\$100 USDT** Per Year With A Performance Fee Of **30%** Of The Profit Generated In Your Account.

We Only Have **15%** Performance Fee Options On The Profit Generated In Your Account.

There Is No Limit On How Much You Have In Your Binance Account. And The More You Have In Your Account, The Greater Your Profit Will Be! And We Still Have An Excellent Affiliate Program.
